

Your Erasmus+ Traineeship

Who we are

Placement Slovakia is a traineeship programme for higher education students and graduates interested in Erasmus+ traineeships in Slovakia.

The programme is managed by WorkSpace Europe, the only Slovak Consortium of Universities for Erasmus+ traineeship mobilities between Slovakia and other EU countries.

Traineeships

- International companies in all sectors to fit your profile
- English working language
- Minimum traineeship duration is 5 months
- Start at any time during the year

Benefits

- Free accommodation provided
- Administration support
- Practical support (airport pickup, introduction, ongoing assistance)
- **No fees!**

What can you gain

Unique practical training under experienced mentors in your field in a respected international company that you may find in your country as well. Most of our traineeships end by a job offer!

Check the stories of our trainees at www.placementslovakia.com.

Our main partners

Top international companies including Big Four Accountancy firms or Global Business Centers but also successful international and Slovak startups.

You can be part of their teams.

How to apply

Just fill out the online application form at our website: www.placementslovakia.com.

We look forward to hearing from you!
